THIS AGREEMENT is made the *twenty eighth* day of *November* 1995

BETWEEN:

THE COMMONWEALTH OF AUSTRALIA  
THE STATE OF NEW SOUTH WALES  
THE STATE OF VICTORIA  
THE STATE OF QUEENSLAND  
THE STATE OF WESTERN AUSTRALIA  
THE STATE OF SOUTH AUSTRALIA  
THE STATE OF TASMANIA  
THE AUSTRALIAN CAPITAL TERRITORY and  
THE NORTHERN TERRITORY OF AUSTRALIA

WHEREAS:

- A. Following consideration of the Australian Law Reform Commission's Report on Censorship Procedure, Commonwealth State and Territory Ministers responsible for censorship have agreed on a revised co-operative legislative scheme for censorship in Australia ("the new scheme"). However, Western Australia and Tasmania will not participate in the new scheme in relation to publications;
- B. The aim of the new scheme is to make, on a co-operative basis, Australia's censorship laws more uniform and simple with consequential benefits to the public and the industry;
- C. The new scheme accurately reflects, and maintains, the balance of responsibilities that has been arrived at between Australian jurisdictions. It also recognises that, in relation to the Code and classification guidelines, the Commonwealth, and the Participating States are equal partners and that policy on these matters is derived from agreement between all jurisdictions;
- D. In implementation of its part under the new scheme the Parliament of the Commonwealth has enacted the Classification (Publications, Films and Computer Games) Act 1995 ("the Act");
- E. Section 3 of the Act provides that the purpose of the Act is to provide for the classification of publications, films and computer games for the Australian Capital Territory and that the Act is intended to be part of a Commonwealth,

State and Territory scheme for the classification of publications, films and computer games and for the enforcement of those classifications;

- F. The Act establishes the Classification Board ("the Board") and Classification Review Board ("the Review Board") and the procedures under which classification decisions are made;
- G. Classification decisions under the Act are to be made in accordance with the Code and the classification guidelines;
- H. Under the Act each Participating Minister and the Commonwealth Minister are to agree:
  - (a) on the classification guidelines;
  - (b) on amendments to those guidelines; and
  - (c) on amendments to the Code;
- I. Under the new scheme the Participating States will enact legislation to provide for the enforcement of the classification decisions made under the Act which legislation sets out the consequences, in the respective jurisdictions, of the different classifications given by the Board or, on appeal, the Review Board, to films, computer games and, where applicable, publications; and
- J. Western Australia's participation in the new scheme will be by conferral of functions under Western Australian legislation on the Board and the Review Board under an arrangement with the Commonwealth pursuant to the Western Australian legislation and section 4 of the Act.

NOW IT IS AGREED by the parties as follows:
