

Additional Content Assessor Recommendation Report

This Recommendation Report forms part of the application for the classification of films under the Additional Content Assessor scheme under subsections 14(5) to (7) of the *Classification (Publications, Films and Computer Games) Act 1995*.

Details of the film

Title of the DVD (or other storage media):

Other title/s (if any):

What are the details of the previously classified film/s contained on the DVD (or other storage media)?

Classifications/s:

Consumer advice/s:

Are any of the film/s contained on the DVD (or other storage media) exempt from classification?

Yes **No**

If yes, please note that recommendations for the classification of additional content with an exempt film/s must indicate the impact of **ALL classifiable elements** at **ALL classification levels** in the additional content in the following pages of the Recommendation Report.

If no, feature film must either be classified or exempt from classification to be eligible under the Additional Content Assessor scheme.

Additional Content Assessor:

Details

Synopsis of classified film/s and/or exempt film/s:

Type of additional content (tick all relevant boxes and provide a synopsis/description of the content below):

- Audio commentary
- Deleted scenes
- Out-takes / gag reel
- Featurette
- Music clip
- Trailers

Please note that these are the only two types of trailers permitted to be assessed as additional content in this Report. Any other trailers are “advertisements” and must be detailed on the Application worksheet

- Trailer/s for an exempt film or exempt computer game
- Trailer/s in an imported film which cannot be modified, for a film or computer game that has not yet been distributed, sold or hired in Australia.
- Other (please indicate)

Detailed synopsis / description of each type of additional content:

THE CLASSIFIABLE ELEMENTS

Themes

Tick whichever boxes apply:

- No themes present in the additional content (go to next classifiable element)
- Contains themes at the same or higher level as those in the classified film (report required)

Contentious material

- Themes assessed as M or higher in the additional content (contentious material details required)

If there are themes present in the additional content that are at the same or higher level as the strongest element/s in the previously classified film/s, mark in the table to indicate the impact of themes contained in the additional content and provide details below. The descriptors have been taken from the *Guidelines for the Classification of Films and Computer Games 2005*.

Category	Impact test	Classifiable Element - THEMES
G (General)	<input type="checkbox"/> very mild	The treatment of themes should have a very low sense of threat or menace, and be justified by context.
PG (Parental Guidance Recommended)	<input type="checkbox"/> mild	The treatment of themes should generally have a low sense of threat or menace and be justified by context.
M (Mature)	<input type="checkbox"/> moderate	The treatment of themes may have a moderate sense of threat or menace, if justified by context.
MA 15+ (Mature Accompanied)	<input type="checkbox"/> strong	The treatment of strong themes should be justified by context.
R 18+ (Restricted)	<input type="checkbox"/> high	There are virtually no restrictions on the treatment of themes.

Describe the THEME(S):

Give a statement of reasons as to why you consider the THEME(S) to be very mild/mild/moderate/strong/high (This section requires you to justify your assessment)

Contentious material – Themes

If the additional content contains themes that are assessed as M or higher, you must indicate the menu layer/s and/or time code/s as a means to access it in the table provided below:

Menu Layer	Time code	Element	Description

Violence

Tick whichever boxes apply:

- No violence present in the additional content (go to next classifiable element)
- Contains violence at the same or higher level as those in the classified film (report required)

Contentious material

- Violence assessed as M or higher in the additional content (contentious material details required)

If there is violence present in the additional content that are at the same or higher level as the strongest element/s in the previously classified film/s, mark in the table to indicate the impact of themes contained in the additional content and provide details below. The descriptors have been taken from the *Guidelines for the Classification of Films and Computer Games 2005*.

Category	Impact test	Classifiable Element - VIOLENCE
G (General)	<input type="checkbox"/> very mild	Violence should only have a low sense of threat or menace, and be justified by context. Sexual violence is not permitted.
PG (Parental Guidance Recommended)	<input type="checkbox"/> mild	Violence should be mild and infrequent, and be justified by context. Sexual violence is not permitted.
M (Mature)	<input type="checkbox"/> moderate	Moderate violence is permitted, if justified by context. Sexual violence should be very limited and justified by context.
MA 15+ (Mature Accompanied)	<input type="checkbox"/> strong	Violence should be justified by context. Sexual violence may be implied, if justified by context.
R 18+ (Restricted)	<input type="checkbox"/> high	Violence is permitted. Sexual violence may be implied, if justified by context.

Describe the VIOLENCE including the following aspects:

Type of violence (i.e. punching, kicking, shooting etc):

Weapons (including type i.e. gun, sword, knives, vehicle etc):

Bloodshed (including amount treatment e.g. detail, close-ups, slow motion):

Other injury detail (if any):

End Result (screams/other noises/post mortem damage):

Give a statement of reasons as to why you consider the VIOLENCE to be very mild/mild/moderate/strong/high. (This section requires you to justify your assessment)

Contentious material – Violence

If the additional content contains violence that are assessed as M or higher, you must indicate the menu layer/s and/or time code/s as a means to access it in the table provided below:

Menu Layer	Time code	Element	Description

Sex

Tick whichever boxes apply:

- No sex present in the additional content (go to next classifiable element)
- Contains sex at the same or higher level as those in the classified film (report required)

Contentious material

- Sex assessed as M or higher in the additional content (contentious material details required)

If there is sex or sexual references present in the additional content that are at the same or higher level as the strongest element/s in the previously classified film/s, mark in the table to indicate the impact of themes contained in the additional content and provide details below. The descriptors have been taken from the *Guidelines for the Classification of Films and Computer Games 2005*.

Category	Impact test	Classifiable Element - SEX
G (General)	<input type="checkbox"/> very mild	Sexual activity should be very mild and very discreetly implied, and be justified by context.
PG (Parental Guidance Recommended)	<input type="checkbox"/> mild	Sexual activity should be mild and discreetly implied, and be justified by context.
M (Mature)	<input type="checkbox"/> moderate	Sexual activity should be discreetly implied, if justified by context.
MA 15+ (Mature Accompanied)	<input type="checkbox"/> strong	Sexual activity may be implied.
R 18+ (Restricted)	<input type="checkbox"/> high	Sexual activity may be realistically simulated. The general rule is "simulation, yes – the real thing, no".

Describe all sexual activity and/or sexual references (visual or verbal):

Give a statement of reasons as to why you consider the sexual activity and/or sexual references to be very mild/mild/moderate/strong/high. (This section requires you to justify your assessment)

Contentious material – Sex

If the additional content contains sex or sexual references that are assessed as M or higher, you must indicate the menu layer/s and/or time code/s as a means to access it in the table provided below:

Menu Layer	Time code	Element	Description

Language

Tick whichever boxes apply:

- No language present in the additional content (go to next classifiable element)
- Contains language at the same or higher level as those in the classified film (report required)

Contentious material

- Language assessed as M or higher in the additional content (contentious material details required)

If there is language present in the additional content that are at the same or higher level as the strongest element/s in the previously classified film/s, mark in the table to indicate the impact of themes contained in the additional content and provide details below. The descriptors have been taken from the *Guidelines for the Classification of Films and Computer Games 2005*.

Category	Impact test	Classifiable Element - LANGUAGE
G (General)	<input type="checkbox"/> very mild	Coarse language should be very mild and very discreetly implied, and be justified by context.
PG (Parental Guidance Recommended)	<input type="checkbox"/> mild	Coarse language should be mild and infrequent, and justified by context.
M (Mature)	<input type="checkbox"/> moderate	Coarse language may be used. Aggressive or strong coarse language should be infrequent and justified by context.
MA 15+ (Mature Accompanied)	<input type="checkbox"/> strong	Strong coarse language may be used. Aggressive or very strong language should be infrequent.
R 18+ (Restricted)	<input type="checkbox"/> high	There are virtually no restrictions on language.

Describe the LANGUAGE including the following aspects:

What type of language is used? Give details.

How frequently is the language used?

What is the tone of the language used? (e.g. aggressive/naturalistic?)

Give a statement of reasons as to why you consider LANGUAGE to be very mild/mild/moderate/strong/high.
(This section requires you to justify your assessment)

Contentious material – Language

If the additional content contains language that is assessed as M or higher, you must indicate the menu layer/s and/or time code/s as a means to access it in the table provided below:

Menu Layer	Time code	Element	Description

Drug use

Tick whichever boxes apply:

- No drug use present in the additional content (go to next classifiable element)
- Contains drug use at the same or higher level as those in the classified film (report required)

Contentious material

- Drug use assessed as M or higher in the additional content (contentious material details required)

If there is drug use or drug references present in the additional content that are at the same or higher level as the strongest element/s in the previously classified film/s, mark in the table to indicate the impact of themes contained in the additional content and provide details below. The descriptors have been taken from the *Guidelines for the Classification of Films and Computer Games 2005*.

Category	Impact test	Classifiable Element – DRUG USE
G (General)	<input type="checkbox"/> very mild	Drug use should be implied only very discreetly, and be justified by context.
PG (Parental Guidance Recommended)	<input type="checkbox"/> mild	Drug use should be justified by context.
M (Mature)	<input type="checkbox"/> moderate	Drug use should be justified by context.
MA 15+ (Mature Accompanied)	<input type="checkbox"/> strong	Drug use should be justified by context.
R 18+ (Restricted)	<input type="checkbox"/> high	Drug use is permitted.

Describe all drug use/drug references (visual or verbal):

Give a statement of reasons as to why you consider DRUG USE/DRUG REFERENCES to be very mild/mild/moderate/strong/high. (This section requires you to justify your assessment)

Contentious material – Drug use

If the additional content contains drug use or drug references that are assessed as M or higher, you must indicate the menu layer/s and/or time code/s as a means to access it in the table provided below:

Menu Layer	Time code	Element	Description

Nudity

Tick whichever boxes apply:

- No nudity present in the additional content (go to next classifiable element)
- Contains nudity at the same or higher level as those in the classified film (report required)

Contentious material

- Nudity assessed as M or higher in the additional content (contentious material details required)

If there is nudity present in the additional content that are at the same or higher level as the strongest element/s in the previously classified film/s, mark in the table to indicate the impact of themes contained in the additional content and provide details below. The descriptors have been taken from the *Guidelines for the Classification of Films and Computer Games 2005*.

Category	Impact test	Classifiable Element - NUDITY
G (General)	<input type="checkbox"/> very mild	Nudity should be justified by context.
PG (Parental Guidance Recommended)	<input type="checkbox"/> mild	Nudity should be justified by context.
M (Mature)	<input type="checkbox"/> moderate	Nudity should be justified by context.
MA 15+ (Mature Accompanied)	<input type="checkbox"/> strong	Nudity should be justified by context.
R 18+ (Restricted)	<input type="checkbox"/> high	Nudity is permitted.

Describe all NUDITY and frequency (e.g.. full frontal, partial, frequent/infrequent):

Give a statement of reasons as to why you consider the NUDITY to be very mild/mild/moderate/strong/high. (This section requires you to justify your assessment).

Contentious material – Nudity

If the additional content contains nudity that is assessed as M or higher, you must indicate the menu layer/s and/or time code/s as a means to access it in the table provided below:

Menu Layer	Time code	Element	Description

CLASSIFICATION AND CONSUMER ADVICE FOR ADDITIONAL CONTENT

The following table will assist you in making your final recommendation, including consumer advice.

Please tick the elements that you have assessed on the previous pages.

	NONE	Same or higher as the classified film	G	PG	M	MA 15+	R 18+
THEMES	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
VIOLENCE	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
SEX	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
LANGUAGE	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
DRUG USE	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
NUDITY	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

CONSUMER ADVICE

Remember that the **consumer advice** must match the elements that are present at the **highest category ONLY**. Use the table above to assist you in deciding the consumer advice.

Indicate your recommended classification and consumer advice for the additional content below.

Details of the previously classified film/s:

Classification/s:

Consumer advice/s:

Recommended classification for additional content:

G PG M MA 15+ R 18+

Recommended consumer advice for additional content:

Please note that the classification and consumer advice recommended for the additional content may not be what the Classification Board determines to be the final classification and consumer advice for the product.
